

Tiaan Schutte , Vice President, Multimedia Business Unit, Convergence Business Group

---

As Vice President of the Multimedia business unit, Tiaan is responsible for Alcatel-Lucent's global multimedia mobile and IPTV activities.

Prior to his current role, Tiaan was Vice President of Alcatel's Information, Communication and Entertainment (ICE) business unit. He also held both Product Line Management and R&D positions within Alcatel's ICE group.

Before joining Alcatel in 2003, Tiaan held key management positions at Thirdspace Living (acquired by Alcatel in April 2003), nCUBE Corporation, Broadcast Projects International and Mindport MCT. He further contributed at Canal+Technologies and Irdeto Consultants in R&D and portfolio management.

Tiaan studied BComm Accounting at Pretoria University.
