

Tiaan SCHUTTE, General Manager, Software Service Platform, Networks & Integration Solutions Business Unit, Thomson

Tiaan Schutte joined Thomson in 2008. As General Manager of Thomson's Software Service Platform, he is responsible for Thomson's IPTV-, Mobile TV platform and voice (NGN and IMS) activities.

Prior to joining Thomson, Tiaan managed Alcatel-Lucent Multimedia and Alcatel's Information, Communication and Entertainment (ICE) Business Units where he also held both Product Line Management and R&D Management positions.

Before joining Alcatel in 2003, Tiaan held key management positions at Thirdspace Living (acquired by Alcatel in April 2003), nCUBE Corporation, Broadcast Projects International and Mindport MCT. He further contributed at Canal+ Technologies and Irdeto Consultants in R&D and portfolio management.
